

YOGA RAMADHANI ANJATI

INDUSTRIAL ENGINEERING

Sidoarjo, 61264, Indonesia | yoga.anjati@gmail.com | [LinkedIn](#) | [Instagram](#) | [Portofolio](#)

Industrial engineering student with hands-on experience in procurement logistics and vendor coordination for large-scale events. Proven ability to manage food and beverage distribution for 300+ participants, track expenditures, and streamline administrative workflows. Passionate about integrating digital tools and sustainability principles into supply chain operations.

PROFESSIONAL EXPERIENCE

Secretary of the Consumption Department, Himpunan Mahasiswa Teknik Industri Aug 2025 - Oct 2025

- Coordinated food and beverage logistics for a campus event serving 300+ participants, ensuring 100% on-time distribution and zero waste
- Managed vendor communication and tracked division expenses with accuracy.
- Digitized vendor tracking system using spreadsheet automation, reducing manual errors by 40%
- Scheduled distribution and ensured timely execution aligned with event timelines.
- Maintained administrative records and supported internal coordination across divisions.

Freshman Group Guide, Himpunan Mahasiswa Teknik Industri Aug 2024 - Oct 2024

- Guided freshmen groups during orientation with a focus on developing adaptability, communication, and teamwork skills, enhancing their confidence and readiness for academic life.
- Mentored new students in understanding campus culture and organizational ethics, contributing to stronger social integration and learning motivation.
- Facilitated group discussions and activities that fostered leadership, collaboration, and problem-solving, resulting in active participation and full engagement from all members.

EDUCATION

Bachelor of Engineering in Industrial Engineering Aug 2023 - Aug 2027

Universitas Pembangunan Nasional VETERAN Jawa Timur

- Relevant coursework in Supply Chain Management and Procurement Processes.

Highschool July 2020 - June 2023

SMAN 1 Mojosari

- Focused on Mathematics and Natural Sciences, including Physics, Chemistry, and Biology. Developed strong analytical, problem-solving, and quantitative skills as preparation for higher education in engineering and industrial fields.
